

PENDANT

Vela Mini Pendant

Warm light glows from a single slim shade on the Vela Mini Pendant, an easy accent for a nook, bar, or above a small table. Its compact profile hangs solo or lines up in a row over a longer counter without crowding the space below, and the minimal silhouette pairs naturally with the rest of the Vela multi-light pendants. Offered in a 5-in. and an 8-in. size, each in Black or Satin Gold — a simple way to add a warm point of integrated-LED light exactly where it's needed.
