

RING / LINEAR CHANDELIER

Verre Ring & Linear Chandeliers

Open frames studded with clear glass shades give the Verre Ring & Linear Chandeliers a sculptural yet airy presence overhead. Warm, layered light washes a dining table, island, or entry without a heavy body to block the view. The 44-in. linear bar runs the length of a long island or table, while the 28- and 34-in. rings crown a round or oval table or an open stairwell. All in Black on easy-to-source G9 bulbs.

FINISH OPTIONS ● Black BK
