

BATH / VANITY LIGHT

Vista 18-in. Linear Vanity

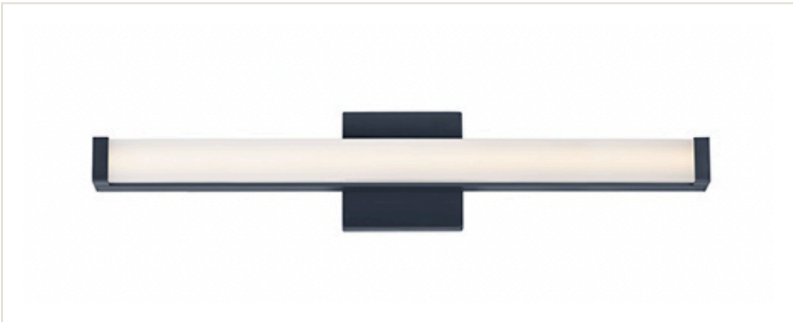

Brighten a powder room or single-sink mirror with the Vista 18-in. Linear Vanity Light. The compact diffusing bar turns its integrated LEDs into warm, even light in a slim footprint built for a narrow wall where a wider fixture won't fit. Its low-profile design mounts flush and reads as clean architectural trim rather than a bulky sconce — a tidy, versatile finishing touch that upgrades the smallest vanity wall in Black, Brushed Nickel, or Satin Gold.
