

BATH / VANITY LIGHT

Zina Vanity Lights (2 / 3 / 4-Light)

Cylindrical shades line up in an even row above the mirror, giving the Zina Vanity Lights a clean, modern presence. The straight-lined shades cast a soft, warm, shadow-free glow across the mirror for grooming and daily routines, without the clutter of an ornate fixture. A compact 2-light suits a narrow powder room, the 3-light fits a standard vanity (and projects just 4" for tight or hallway baths), and the 4-light spans a wide double sink. Finished in Black, Brushed Nickel, or Chrome, Zina lights the vanity in clean, contemporary style.
