

WALL SCONCE

Harbor Wall Sconce

A dome-hooded bowl shade gives the Harbor Wall Sconce a clean, classic silhouette against the wall, finished in Black for a crisp, understated look. Warm light spills softly down and out from beneath the hood, washing the wall without glare at eye level. Compact enough to mount singly along a hallway or in a pair flanking a doorway or mirror, Harbor reads as quiet architecture rather than a statement piece — a finishing accent for an entry, hallway, or bedside wall.
