

FLUSH MOUNT

Hope 14-in. Flush Mount

A low-profile drum shade wraps warm light across the ceiling in the Hope 14-in. Flush Mount. Its clean, rounded silhouette sits close overhead, making it right at home in a hallway, bedroom, stairwell, or closet where headroom is tight. The two-light design spreads soft, even illumination across the room, and the compact 14-inch scale fits neatly into smaller spaces without overwhelming them - a tidy flush mount that keeps a room bright without ever hanging low.
