

PENDANT

Kindle 4-Light Pendant

Four clear-glass shades cluster on an open metal frame to give the Kindle 4-Light Pendant a compact, modern presence over an island, breakfast table, or entry. Warm 3000K light layers through the glass for a gentle, glare-free glow, and the open cage keeps the fixture feeling light overhead. Hung on its own as a focal point, it coordinates with the Kindle chandeliers, sconces, and vanities across three finishes — Satin Gold, Brushed Nickel, and Black.

FINISH OPTIONS ● Satin Gold SG ● Brushed Nickel BN ● Black BK
