

CHANDELIER

Kindle 5-Light Chandelier

An open frame puts five clear-glass shades on display, giving the Kindle 5-Light Chandelier an airy, statement presence over a standard dining table, breakfast nook, or entry. Warm 3000K light spreads evenly through the glass in crisp transitional style, and an included chain sets the drop for standard or vaulted ceilings. Three finishes — Brushed Nickel, Satin Gold, and Black — coordinate across the Kindle collection for a whole-home look.
