

PENDANT

Kindle 8-Light Pendant

The Kindle 8-Light Pendant extends the collection's clear-glass, open-frame look into a larger multi-light form for an island, dining table, or entry. It coordinates with the Kindle chandeliers, pendants, sconces, and vanities in matching Black, Brushed Nickel, and Satin Gold. These are newly added SKUs — full specifications and finished product photography are pending from the vendor and will be confirmed before release.
