

PENDANT

Kindle Single Pendant

A single clear-glass shade on a slim stem gives the Kindle Single Pendant a clean, modern profile that casts a gentle, warm glow over an island, counter, or nightstand. Hung on its own or lined up in a row, it slips into tight spacing between fixtures and layers soft 3000K light exactly where you need it. Three finishes — Satin Gold, Brushed Nickel, and Black — coordinate across the Kindle collection for an easy whole-home look.
