

BATH / VANITY LIGHT

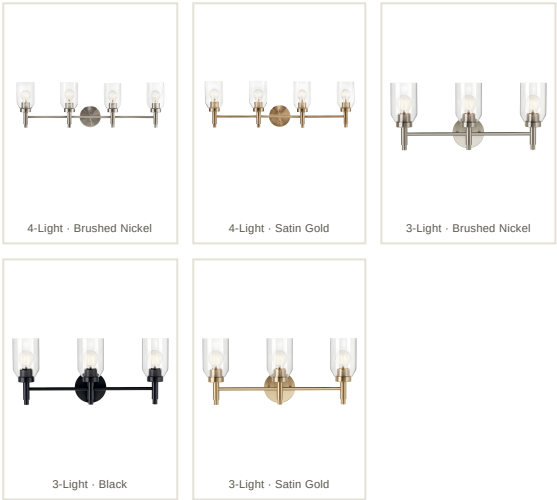

Kindle Vanity Lights

A row of clear-glass shades spans the mirror to give the Kindle Vanity Lights a clean, modern presence. Evenly spaced shades wash the vanity in bright, warm 3000K light that flatters everyday grooming, and the fixture mounts shades-up or shades-down to suit the space. Three widths — a 2-light for a powder room, a 3-light for a standard vanity, and a 4-light spanning nearly three feet for a wide or double sink — each in Black, Brushed Nickel, or Satin Gold to coordinate across the Kindle collection.
