

FLUSH / SEMI-FLUSH MOUNT

Lainey 6-in. Flush Mount

A low-profile silhouette gives the Lainey 6-in. Flush Mount a clean, understated presence close to the ceiling. Warm light spreads softly below — right where you need it in a hallway, closet, laundry room, or small bath — and its compact 6-in. scale slips into tight spaces without crowding the room. A single medium-base A19 socket lets you choose the bulb and brightness that suit the space, and the clear glass shade over a black frame keeps the look simple and versatile.
