Lainey Outdoor Wall Lanterns

Classic cage styling gives the Lainey Outdoor Wall Lanterns a clean-lined, welcoming presence beside the door. Warm light glows through clear glass each evening, and the corrosion-resistant black steel frame shrugs off rain, sun, and passing seasons. Four heights — a compact 9-in. up to a bold 24-in. statement — mount solo or in a pair on a standard junction box, with an easy-to-source medium-base A19 socket.
