

CHANDELIER

Laurel Chandeliers

Bowl-shaped glass shades branch from a candle-style ring to give the Laurel Chandeliers a full, traditional silhouette with a modern edge. Warm light glows softly from each arm, filling a dining table, entry, or stairwell with a gentle, layered wash instead of one hard source overhead. A compact 3-light suits a breakfast nook, the 5-light anchors a room that calls for scale, and the 9-light commands a grand space. Finishes coordinate across the whole Laurel collection.
