

9-LIGHT CHANDELIER

Lila 9-Light Chandelier

Sweeping, candlelit style defines the Lila 9-Light Chandelier, its nine branched arms multiplying warm light across a dramatic, symmetrical silhouette. Perfect for a grand dining table, double-height foyer, or wide stairwell, it fills a large space without feeling heavy or overdone. Offered in a range of finishes to suit a traditional or transitional room, Lila scales its classic branched design up for a true statement moment — a focal point the whole room gathers around.
