

FLUSH MOUNT

Lila 13-in. Flush Mount

Flood a hallway, bedroom, or closet ceiling with soft, even light using the Lila 13-in. Flush Mount, its bowl-shaped opal-glass shade sitting flush for a clean, low-profile look. Warm 3000K light diffuses gently through the glass, filling the room with everyday brightness without a bulky fixture hanging down. Offered in five finishes to match the rest of the room's hardware, Lila keeps a small or low-ceilinged space feeling open — a quiet focal point overhead.
