Lila Single Pendant

Simple, modern style defines the Lila Single Pendant, its clean, minimal silhouette dropping a single warm point of light wherever it's needed. Hang it solo over a counter, island, or nightstand, or line up several in an even row for a longer run of light. Offered in a range of finishes to fit any room's hardware, Lila keeps the look understated while still drawing the eye upward — a versatile, easy-to-place accent overhead.
