

BATH / VANITY LIGHT

Lila Vanity Lights

A row of cylindrical opal-glass shades spans the mirror to give the Lila Vanity Lights a clean, tailored presence. Evenly spaced shades wash the vanity in bright, warm, shadow-free light that flatters everyday grooming, and clean lines coordinate across the whole Lila collection. Three widths — a 2-light for a powder room, a 3-light for a standard vanity, and a 4-light spanning a wide or double sink — each in a range of finishes to match faucets and hardware.
