

PENDANT

Lima 3-Light Pendant

Gather warm light over an island or dining table with the Lima 3-Light Pendant. Three bowl-shaped shades hang together from a shared canopy, spreading a soft, even glow across the counter or table below. The clustered silhouette fills the space above an island without a run of individual pendants, and a single canopy keeps the install simple - a cluster pendant that turns everyday prep, homework, or dinner into a warmly lit occasion.
