

BATH / VANITY LIGHT

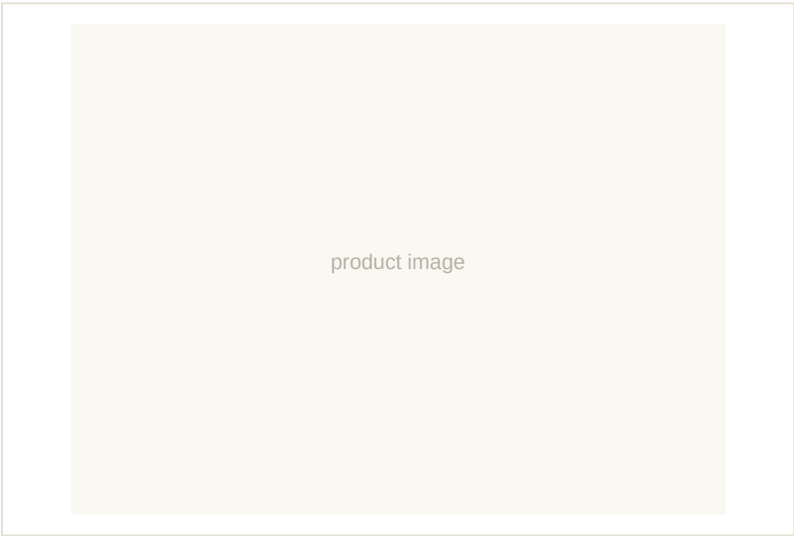

Lima Vanity Lights

A row of tapered glass shades spans the mirror to give the Lima Vanity Lights a clean, classic presence. Evenly spaced shades wash the vanity in warm, shadow-free light that flatters everyday grooming, and simple lines coordinate across the whole Lima collection. Three widths - a 2-light for a powder room, a 3-light for a standard vanity, and a 4-light for a wide or double sink - each in Brushed Nickel or Black.
