

ACCENT LAMPS

Elara Table & Floor Lamps

A ribbed art-glass shade over a slender Antique Brass base gives the Elara lamps a clean, modern silhouette with a warm, handmade glow. The 16.5-in. Table Lamp layers soft light onto a nightstand, console, or side table, while the 63-in. Floor Lamp stands quietly beside a reading chair or sofa, filling an empty corner with form and light. Both simply plug in — no wiring — with an in-line switch within easy reach, and both cast the same warm 3000K glow through handmade ribbed glass. Effortless accents that finish a room in coordinated Antique Brass.
