

LED REPLACEMENT BULB

Freddie Everyday LED Bulbs

Straightforward, efficient light comes from every Freddie bulb — one-for-one LED swaps for the incandescent shapes already in the home. The everyday A19 lights lamps and hallway fixtures; the PAR reflectors (20/30/38) aim a focused beam onto art, counters, and reading chairs; the BR floods (20/30/38) spread wide, soft light through recessed cans; and the fan bulb fits the tight candelabra sockets on ceiling-fan light kits. All run cool on a fraction of the energy, hold up to years of on-off cycling, and drop straight into standard E26 or E12 sockets. Efficient, no-fuss upgrades for every socket in the house.

FINISH OPTIONS ☒ **White** A19

PRODUCT DETAILS

FAMILY
Freddie

PRODUCT TYPE
Frosted LED Bulb

BASE / SOCKET
E26 / E12 (see table)

BULB SHAPE
A19 / PAR / BR / fan (frosted)

DIMMABLE
Dimmable

CERTIFICATIONS
ETL Listed

PERFORMANCE

CCT
~2700–3000K (warm)

INPUT VOLTAGE
120V

LIFESPAN
~15,000 hrs

DIMENSIONS

BULB INCLUDED
Bulb only (this SKU)
