

WALL SCONCE

Gila Wall Sconce

A single cylindrical glass shade on a clean backplate gives the Gila Wall Sconce a compact, modern profile that coordinates with the matching Gila vanities. It throws a gentle, diffuse glow that softens the room without glare, in easy contemporary style. Mounted in a pair to flank a bathroom mirror or on its own down a hallway, it layers soft, even light at eye level. Four finishes — Black, Brushed Nickel, Chrome, and Satin Gold — tie it into the wider Gila collection.
