

FLUSH MOUNT

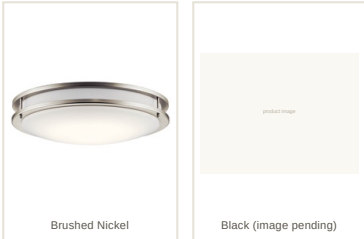

Dawn 5CCT Round Flush Mount

A slim, round silhouette sits flush to the ceiling, giving the Dawn 5CCT Flush Mount a clean, low-profile presence in a hallway, bedroom, or laundry room. Soft, even light spreads edge to edge with no glare or hot spots, and an onboard switch selects one of five color temperatures — warm 2700K through crisp 5000K — to match the room. Three sizes (12, 14, 16 in.) in Black or Brushed Nickel mount snug to the ceiling in minutes, keeping sightlines clear and the ceiling uncluttered.
