

CHANDELIER

Adler 12-Light Candle Ring Chandelier

Bare bulbs ring an open steel frame in the Adler 12-Light Candle Ring Chandelier, striking a modern-industrial balance between raw structure and warm light. Its exposed-bulb ring casts an ambient glow over a dining table, great room, or stairwell, with the frame itself doing double duty as sculpture — a genuine statement piece without shades or ornament.

FINISH OPTIONS ● Black BK ● Polished Nickel BN ● Satin Gold SG
